

CHRISTMAS PARTY 2015

Called Tim at the Elks Lodge in August to save the date for December. We were able to keep the 3rd Wednesday. He is difficult to reach. 533-1587

Hired Sound Extreme in August. They played from 8-11, but it was suggested they play from 7 – 10 next year. 532-0868

Susan Page (Dinner Meeting Chair) arranged the menu with our caterer. (Dave Ingram beginning April 2016).

I bought four \$25 gift certificates for raffle prizes from the following: Emberz, Fionas, Diamond Back, Tallulahs.

Kathy and I made table decorations that could be taken home by one winner at each table. Discuss with Tim the color of the tablecloths and napkins to coordinate with the decorations.

Whoever does the Christmas party needs to:

- Put the information in the newsletter
- Obtain the nametags
- Take reservations by phone or email
- Call Tim and the caterer on the Saturday before the event with the final count
- Collect the money and pass out nametags the night of the event

We had 9 tables.
