

Games Galore

Chairperson Job Description

Games Galore meets most months of the year on the 4th Tuesday (except November and December) starting at 5:30 pm. The gathering starts with hors d' oeuvres, and then has a pot luck dinner, which finishes around 6:30-7PM, when the games start. Coffee and desert are served at the end of the evening.

The games are table games – board and card games. The people who come decide what is to be played, and usually different games are played at the same time. You can play anything you want.

The Chairman's job is to set up who will be the host or hostess for the month. The host or hostess sets up the menu and lets other Games Galore participants know what to bring for the potluck dinner. The host or hostess does the main dish.

The chairperson puts a notice in the monthly newsletter about the event.
