PRESIDENT'S MESSAGE

Well, Gus's Steak House has been a welcome change for some of our members. Our Dinner Director put out an Email seeking feedback, and I encourage you to assist him with your constructive comments and suggestions. I know Gus's is not ideal, and we are always on the lookout for better venues.

It was noticed at the Board meeting that there is a need for our club to house our documents in a central location, such documents as the by-laws, Newsletters & Roster, minutes of the Board as well as the Treasury reports. To that end we are creating a position of a Historian Director to consolidate our official documents digitally. It is an extremely easy task consisting of a folder labeled "TCNC History" and perhaps three subfolders: Legal Docs, Newsletters & Others, and Treasury Reports & Minutes of the Board so that documentation can be consulted by new Board members and avoid reworking the problem over and over. Any volunteers for our First Historian? Remember, Clubs die in passivity.

Also, it is a fact that members have not been introduced to each other properly in our club. Therefore, the Board decided to produce a Yearly Book with a photo of each member or a couple, listing the date of admission to the club plus an optional statement about the family and their hobbies. Gene Bettencourt volunteered to study the format and the cost of such a booklet. We hope to go to print by the end of the year.

Remember our picnic at Pinecrest on Wednesday June 18. The tables will be set up for you, just bring either a Main Dish, Salad dish, or Dessert plus your own drink. The reservation fee is \$68.00, so we will share it at the potluck. You don't want to miss it!
